Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Discussed the proposed amendments to claims, which are attached. Examiner advised Mr. Christie that the amendments would constitute a new issue that would require further search and consideration and would not be entered after final, but would be entered if submitted with an RCE. Examiner suggested further amending the claims, as they would be in the proposed amendment form, to further distinguish the unique entity from the Alattar reference. Applicant will consider the Examiner's suggestion with respect to the proposed amendments when filing their Official Response.
